POST PROGRAMME ROUTES

Further support and guidance to assist you with your applications for the following routes:

- University in the U.K.
- Apprenticeships

* additional student cost.

Samuel Whitbread Academy are delighted to offer an outstanding educational programme combining first class academic options with a high-performance netball development programme. Our programme is aimed at female students, 16 years old and above. Students can create their own unique education program and become one of our highly esteemed student athletes. Note: students must meet the entry requirements of the 6th form and courses they apply for.

Please contact our Director of Netball at SWA-Netball@bestacademies.org.uk for more details.
